Register Proposal

*Please review the entire form before completing it.*

### General Information

**Proposal Title**

*Please do not include as part of the title "Dagstuhl Seminar", "Proposal", or any similar phrase. Please capitalize your title.*

### Author(s) Information

**Author #1**

**Name:**

*First/Given Name*  
*Last/Family Name*

**Organization:**

*Please specify only the name of your university, company, or similar (for example, "University of Podunk" or "Podunk Software Corporation". Do not include your department or division, except when it constitutes the institution itself, i.e., "Department of the Interior".)*

**Country:**

*Please select ISO 3366-1 country names.*

**Email:**

*Please provide your email address. In general, most of our information messages are sent only to the "Contact Author" (see below).*

**Homepage:**

*Please provide the URL of your homepage, if available.*

**Gender:**

*Please Select*

**Title:**

*Please Select*

**Industry:**

*Yes*

*Please tick if you are a researcher who works for an industrial company.*

**Author #2**

**Name:**

*First/Given Name*  
*Last/Family Name*

**Organization:**

*Please specify only the name of your university, company, or similar (for example, "University of Podunk" or "Podunk Software Corporation". Do not include your department or division, except when it constitutes the institution itself, i.e., "Department of the Interior".)*

**Country:**

*Please select ISO 3366-1 country names.*

**Email:**

*Please provide your email address. In general, most of our information messages are sent only to the "Contact Author" (see below).*

**Homepage:**

*Please provide the URL of your homepage, if available.*
Please note that there is a limit of 4 organizers per proposal. For resubmissions, an exception might be given in the notification letter of your original application.
**Country:** Please select ISO 3366-1 country names.

**Email:** Please provide your email address. In general, most of our information messages are sent only to the "Contact Author" (see below).

**Homepage:** Please provide the URL of your homepage, if available.

**Gender:** Please select

**Title:** Please select

**Industry:** Yes

**Author Role**

**Contact Author:**

This position is mandatory. The contact author is responsible for all correspondence with Schloss Dagstuhl. Please notify us immediately of any changes in the contact author’s name, affiliation, etc.

**Authors Justification:**

If your proposal has multiple authors from the same organization, please give a sound scientific justification for this in the space above, and in the proposal itself.

**Organizational Issues**

**Type of Event**

- Dagstuhl Seminar
- Dagstuhl Perspectives Workshop

**Number of Participants**

- About 45
- About 30

**Duration**

- 5-day seminar
- 3-day seminar

In general: 5-day: Arrival Sunday afternoon, begin Monday morning, end/departure Friday noon. 3-day: Arrival Sunday afternoon, begin Monday morning, end/departure Wednesday noon. All combinations between number of participants and duration are possible. Organizers chose only in special cases the combination of a 3-day seminar with 45 participants.

**Resubmission**

If your proposal is based on a previous submission classified by our Scientific Directorate as "Postponed", "Resubmit" or "Reject", please provide the proposal number of the original submission as stated in the notification letter (e.g. 99-0910).

**Predecessor**

If your proposed seminar succeeds a previous one in the same area organized by one organizer of your team, please give the seminar number of its predecessor (e.g. 11123).

**Technical Areas**

**Miscellaneous**
Seminar might warrant a press release for the mainstream media.
Seminar is relevant to industry or industrial research.
Seminar is interdisciplinary, e.g., it covers a research area outside the field of informatics.

Topics

To help us match proposals to reviewers, please select one to three areas that are most relevant to your proposal:

- artificial intelligence, robotics
- bioinformatics
- computer graphics, computer vision
- data bases, information retrieval
- data structures, algorithms, complexity
- hardware
- mobile computing
- modelling, simulation
- multimedia
- networks
- operating systems
- optimization, scheduling
- programming languages, compiler
- security, cryptology
- semantics, formal methods
- society, human-computer interaction
- soft computing, evolutionary algorithms
- software engineering
- verification, logic
- world wide web, internet

Keywords:

Please use single words or short phrases and separate them by ";". Please use no more than 5 words / phrases.

Content

Abstract:

Please restrict yourself to about 250 words. The abstract should summarize the scientific content of your proposal and should be fully comprehensible to potential reviewers who have not read the complete proposal. Proposal reviews will be selected and assigned solely on the basis of the abstracts.

Abstract CC-BY:

If the proposal is accepted, Schloss Dagstuhl might publish the abstract as a short seminar description. In case of publication it will be published under a Creative Commons CC BY license (http://creativecommons.org/licenses/by/3.0/). The authors retain their copyright. Please enter here the names of the authors attributed to the abstract.

Comments:
Please give any other comments that may be relevant to your submission. This field is available both in the metadata form and in the form for the preferred and block-out dates.

Password

Please give a password that you will remember. You will need this password, together with the proposal identification number that you will receive via email upon submission of this form, if you wish to modify this proposal in the future.
