

Schloss Dagstuhl – Leibniz-Zentrum für Informatik  
seeks to hire:

SCHLOSS DAGSTUHL  
Leibniz-Zentrum für Informatik

### **Computer Scientist (f/m/d), full-time or part-time, preferably with Ph.D., TV-L E13 or E14**

Schloss Dagstuhl – Leibniz-Zentrum für Informatik GmbH is a non-university research institution in the Leibniz Association with the aim of promoting informatics research at an international level. Schloss Dagstuhl is recognized worldwide for its scientific seminars, which are attended by over 3000 scientists annually. In addition, the divisions "Dagstuhl Publishing" as an open-access publisher for computer science and "dblp" for bibliographic metadata of scientific informatics literature offer services which are used online worldwide.

**Your responsibilities will include** all aspects of scientific support and supervision of seminars as well as assisting the Scientific Directorate. You will also actively collaborate with national and international research funding agencies and provide support in the areas of public relations, reporting, and publishing.

#### **We offer**

- a unique and exciting scientific environment
- exposure to international cutting-edge research
- a pleasant atmosphere in a small, motivated team
- diversified job activities with plenty of room for your ideas and creativity
- payment and social benefits in alignment with TV-L (up to TV-L E14 in case of suitable qualifications)
- home office opportunities and flexible, family-friendly working conditions, as certified by *audit berufundfamilie*

#### **We expect from you**

- a completed university degree (master's degree, diploma) in computer science, mathematics or a related field, preferably with a doctorate or a comparable qualification
- broad interest in informatics as a science
- sound knowledge of programming and willingness to expand this knowledge, e.g., PHP (in the Laravel framework), SQL, etc.
- very good spoken and written language skills in both German and English
- initiative and creativity in developing solutions to problems
- commitment, ability to work in a team, and mobility

The position is located on the campus of Saarland University in Saarbrücken and requires the willingness to make regular business trips to Wadern.

Schloss Dagstuhl is committed to equal opportunities and diversity in the workplace. We expressly encourage women and non-binary people to apply. Applications from severely disabled persons or persons of equal status are expressly encouraged.

Please send your application with meaningful documents until September 24, 2021 by e-mail to:  
[stelle-7721@dagstuhl.de](mailto:stelle-7721@dagstuhl.de).

Information is available from Dr. Andreas Dolzmann  
(E-Mail: [stelle-7721@dagstuhl.de](mailto:stelle-7721@dagstuhl.de), Phone: +49 681 – 302 3848)
